

**Sample Sports Day Package
2021
Based on Group of 60**

Sports Day Package

Outline:

Our sports day package comes complete with both competitive team sports and also some great individual activities so that you and your colleagues can work together in teams or shine on your own!

We supply the staff, equipment and in advance of the day a full timetable so everyone can relax and enjoy the day to its fullest.

We can assist you in organising you venue and transport if needed.

Here is an example of a running order for such a day:

Event Solutions Ireland staff will arrive well before you do at your selected venue (exact time will depend on set-up, location etc) to set up. In advance of the day we will have broken up the group into teams, for the purpose of this example we will have six teams.

Each team will have a team leader in order to keep control of the day and keep the activities moving. You can choose to add branded T-Shirts to your package if you so wish. This will give the group a memento to take away from the day and also allow us to differentiate the teams a little easier by assigning different colours to the different teams.

The purpose of using teams is to enable groups to come together with the aim of fostering a better working relationship and in doing so to help each other try and win the prizes on offer.

We will provide you with a full timetable in advance of your day. We aim to have two 1 hr sections. In the first hour we will do the races, penalty shootouts and basketball hoops. Then we take a short break where you can play with the selection of giant games that are on hand.

Then we will proceed into the 2nd hour where we will run the 5-a-side soccer and tag rugby tournaments. Of course this is just a general outline and is subject to change based on the numbers attending and the personal requirements of you the client. Some clients prefer to just have a team versus team in the short races throughout the event without the 5-a-side and rugby which is perfectly fine.

We will finish off with a grand finale usually using the bungee run where each team can nominate a “champion” to try and secure a last minute and sometimes vital extra 5 points for their team. This is a great ending as everyone gets a chance to cheer the competitors on.

We would recommend some small prizes for the winners.

Here is the list of activities for this event:
