Game-show Night:

Our fully interactive gameshow challenge event combines an exciting quiz format as well as highly entertaining prize rounds based on some of television's favourite gameshow formats. If you remember shows such as Who Wants to be a Millionaire, Catch Phrase, Family Fortune Trivia Feud and the Trivia Board, Deal or no Deal type games then this is the entertainment for you.

Our game show night will allow your guests to interact with each other in a fun and exciting environment. We will make small teams on the night and each team will have its own table where they will have a remote control so that everyone can participate in the games!

Each table is given a wireless interactive keypad with which to answer the multiple choice questions with all scores being kept instantly on the integrated computer system.

All questions are displayed on the giant 1.8m screen or 50" LCD Screen depending on the venue and included are a complete 'Gameshow Challenge' set, podiums, lighting, PA system, sound effects, gameshow challenge software with props and interactive keypads for up to 20 tables.

The whole event is run and managed by a lively professional host and support crew and is completely self contained with its own sound system, set and lighting. Gameshow Challenge runs for approx 1 ½ to 2 hrs and is a great evening's team entertainment.

Prizes:

For example if you are having 100 guests than I would estimate that if we have about 20 prizes we should be good.

I would recommend that we go for a larger quantity of smaller prizes so that more people do come away with something from the night. You can source the prizes yourself or if you are going for wine and spirits we could bulk buy these for you. We could have the wine prizes for the heats and the spirits for the game show winners.

Vouchers, Wines & Spirits and small gifts are all good ideas for prizes.

We usually allocate **500 Euro** towards prizes and this is included in the overall price listed below.

The total cost for the above package will come to **3,305 Euro plus vat (Including 500 for prizes)**

All prices ex vat: 21.5% - Deposit of 50% required to confirm Bookings
